

# TUFWAY

10 year warranty

“A unique combination of durability & comfort is why operators & end users have made Tufway the most used restroom in the world.”

The front design is so strong there's no need for a metal frame and all the problems common to metal frames. That means it's built to last and will **reduce maintenance costs**. The door closure system is fully enclosed for durability, safety and resistance to vandalism.

The features which make the Tufway **easy to clean and service** are the front sloping tank top, slightly domed floor and smooth, deep sumped tank. Adding slope to the tank and floor surface forces liquids to drain, not puddle, and the sumped tank improves deodorizer coverage and assures quick, complete waste removal.

## Tufway unit Dimensions

Base width	111.8 cm
Unit width (roof level)	117 cm
Internal height top of roof:	207 cm
External height top of roof:	224 cm
External height top of vent pipe	232.8 cm

Close-up on unique selling points

**Wide, molded in vents provide superior ventilation.**

### Unbreakable Urinal

Extended front lip acts as a drop catcher to keep floor cleaner. Diamond-shaped nonclogging drain tube creates a high flow trench allowing larger objects to pass.

## Multiple hand/foot flushing systems

Equip your portable toilets with a flushing bowl system to hide waste and stay clean. Hand and foot flush are available for all three flushing systems installable on Tufways:

1. Flip Top Flush
2. Western Flush Kit
3. Swish Flushing system with liftable deck

**Unbreakable and easy-to-handle corners.**

### Available colours:

- Royal Blue 
- Aqua 
- Forest Green 
- Dark Grey 
- Red 
- Sand 

Custom colours available on demand:  
min. quantity: 270 units or 90 units if grey front

### Number of toilets per container and truck:

Ocean container 40HC	90
Full Truck Load assembled	22
Full Truck Load unassembled	85

The Tufway is assembled with a patented system that doesn't require an air-pressure operated rivet gun.
