

ScrubKart

ScrubKart is the ultimate instant warm water handwashing solution, purpose built for construction sites.

Ticks the box for:

- ✓ Instant warm water handwashing facility (110V or 240V power)
- ✓ No plumbing needed with tank fed water and self-contained waste
- ✓ Mobile, robust, heavy duty long-term solution for construction sites

As standard, the ScrubKart comes with:

- 1 x Soap Dispenser
- 1 x Paper Towel Dispenser
- Stainless steel sink, tap
- 2 x 25L tanks
- 1 x hands-free swing bin
- Relevant signage
- Water head included for SBK1T, SBK2T

Features and benefits:

- Heated water with 110V or 240V power
- Cold water option available
- Up to 120 hand washes per 25L tank
- Robust, heavy-duty steel construction for long term use on sites
- 350mm, solid rubber tyres for rough terrains
- Can be easily manoeuvred by one individual
- Weather-proof, wipe clean, durable surface
- Foot pump operated tap
